On this day, before me, the undersigned notary public, personally appeared the testator and the witnesses, whose names are subscribed to the foregoing Codicil and who are known to me; and after being duly sworn by me, the testator declared to me and to the said witnesses in my presence that said instrument is a Codicil to her last will and testament and that she had willingly made and executed it as her free act and deed. The witnesses, also under oath, stated to me in the presence and hearing of the testator that the testator had declared to them that the instrument is a Codicil to her last will and testament and that she executed same as such and wanted each of them to sign it as a witness; and under oath each witness stated further that he or she did sign the same as witness in the presence of the testator and at her request; that the testator was at that time 14 years of age or over and was of sound mind; and that each of said witnesses was then at least 14 years of age.
